Transplant Community Alliance

Annual Membership Meeting

Mission

Transplant Community Alliance

(formerly New Life Society and New Heart Society)

bridges relationships with transplant organizations to offer support to enhance and protect the quality of life for transplant recipients and their families.

We advocate for organ donation and transplantation to end the wait for a life-saving transplant.

Office
Edwards Medical Building
1300 N 12th Street Suite 622
Phoenix, AZ 85006
