Thanks for volunteering to lead a team for Donor Dash. As a volunteer team captain, your role is to recruit and rally friends, neighbors and family members to join your team to walk/run and raise money for the Transplant Community Alliance.

- **SIGN UP YOUR TEAM**

Create a memorable team name, set your fundraising goal and register your team at bit.ly/3eHf4Tb. There is no deadline to sign up, but the earlier you start the quicker you'll meet your team's goal.

- **START RECRUITING**

Tap into the usual groups of friends, family members and co-workers, but also consider recruiting people from other parts of your life, such as those you know from the gym, sports teams, book club, bowling league, church, etc.

- **KICK OFF YOUR TEAM**

Consider hosting a small get together at your home or office to kickoff your recruiting and fundraising efforts. When your team members know how important Donor Dash is and how much fun they will have, they are sure to join in.
